

Outdoor Brazier

WARNING

- The Jumbuck Outdoor Brazier is for outdoor use only.
- Do not use flammable liquids for igniting and re-igniting.
- Do not use the unit in windy conditions.
- The unit must be on a flat surface when in use.
- Open flames and burning embers must never be left unattended.
- Not recommended for use on timber decking or any other combustible surface.
- Keep children and animals away from the unit when in use.
After use, make sure the unit is allowed to cool before moving.

IMPORTANT

- The Jumbuck Outdoor Brazier must be fully assembled and screws tightened prior to use.
- In order to avoid corrosion, we recommend the unit be kept out of the weather when not in use.
