Product Group (Select one)	<input type="radio"/> Chipboard/Particleboard <input type="radio"/> Component Product <input type="radio"/> Decking <input type="radio"/> Doors <input type="radio"/> Dressed Timber <input type="radio"/> Paper/Cardboard <input type="radio"/> Firewood <input type="radio"/> Garden Furniture <input type="radio"/> Joinery <input type="radio"/> Laminate Flooring <input type="radio"/> Manufactured Whole Timber <input type="radio"/> MDF <input type="radio"/> Mouldings <input type="radio"/> Plywood <input type="radio"/> Sawn Timber <input type="radio"/> Solid Timber Flooring
Bunnings SKU/Item Number (all products from this supply chain, if known)	_____
Product Description (Provide a short description)	_____ Percentage of the Product Made of Timber/Wood Fibre _____%
Country of Manufacture	_____
Timber Input Type: Virgin, Recycled, or Waste Timber/Fibre Input? (select one)	<input type="radio"/> Virgin Timber/Fibre Input <input type="radio"/> Post-Consumer Recycled Timber/Fibre Input* <input type="radio"/> Other Waste Timber/Fibre Input* *If Recycled/Waste, please explain where the input comes from: _____
Species Name (scientific name; general terms such as 'hardwood' will not be accepted)	_____ Percentage of THIS Species in a Unit of the Product _____%
Country of Harvest	_____ State/Region/ Province of Harvest _____
Type of Forest (Select one)	<input type="radio"/> Natural <input type="radio"/> Plantation If a Plantation, Plantation Conversion Date (Select one) <input type="radio"/> November 1994 or before <input type="radio"/> after November 1994
Type of Certification Applicable to the Product (Select one)	<input type="radio"/> 3 rd Party Certification (e.g. FSC, PEFC) <input type="radio"/> Government Permit/Approval <input type="radio"/> Other, Please Specify: _____
3rd Party Cert. Scheme Name or Government Department Name	_____ Issued To (name of certificate holder) _____
Certificate / Document Number	_____ Expiry Date _____
What is the Certification Claim for the Product?	<input type="radio"/> FSC 100% <input type="radio"/> FSC MIX <input type="radio"/> FSC CW <input type="radio"/> FSC Recycled <input type="radio"/> PEFC Certified <input type="radio"/> PEFC Certified, Recycled & Controlled Sources <input type="radio"/> PEFC Certified & Controlled Sources <input type="radio"/> PEFC Certified & Recycled Sources <input type="radio"/> Other, Please Specify: _____
Is your product marked/labelled with a FSC or PEFC logo?	<input type="radio"/> Yes <input type="radio"/> No

NOTES:

- Please read the *Bunnings Responsible Timber Sourcing Policy* and refer to the *Bunnings Timber & Wood Fibre Product Risk Matrix* for guidance on what certification/documentation is required.
- All timbers from natural forest are required to be from FSC® or PEFC certified forest (FSC Controlled Wood or PEFC Controlled Sources alone are not sufficient).
- All 3rd party certification (e.g. CoC) should as a minimum reside at the last point of manufacture, must be applicable to the product being supplied (not just the company), and be available in English for verification.
