

Stella® Sliding Door Lock

Aluminium door & window
hardware

Schlage Stella® is a star in sliding door locks. Stella® brings choice to the market with an ergonomically designed sliding door lock solution for new or retrofit applications. This multi-function lock is part of a family of Schlage hardware solutions that allows the home or business owner to coordinate internal and external door hardware. Beyond its comfortable, ergo-design and sleek good looks, Schlage Stella® offers all the advantages you'd expect from this world leading brand; uncompromised security, simplicity, style and a high quality manufactured finish.

Stella Series is available in two styles – with a D-handle for easy, everyday use or Slimline for uninterrupted views through the sliding door.

Features

- Suits both industry recognised keyways, template covers new and retrofit installations
- Simple three hole installation and quality fixings
- Security, durability and styling to complement a wide range of Schlage door furniture
